

## **About the project:**

Absolute World Group wanted to [translate technique documentation](#) and maintenance plan from English to Chinese.. CCJK team made a careful analysis and assigned the project to our relevant translators.

The services including:

[English to Chinese Translation](#)

## **Our solution:**

For language translation:

All translation tasks were finished by native translators with abundant experience. Furthermore, CCJK ran a strict TEP (Translation, Editing and Proofreading) by 3 different linguists to make sure of top quality. CCJK team delivered the translation file within 2 working days. The client was very impressed by our fast delivery time and good quality. As expected, the client was very satisfied with our translation quality.

## **About client:**

In July 2009, the shareholder of the XENON Automatisierungstechnik GmbH, the Highway Holdings Limited and the Matrix Systems International Limited signed the contracts for the creation of a joint venture and founded the company XENON Automation Asia Limited in China. "We recognize that the interest for automation equipment with high developed German technology grows."
