

About the project:

Cardinal Health (Shanghai) Pharmaceutical Co., Ltd wanted to translate its material of “Screenshot de ETA minisite” from French to Chinese. CCJK team made a careful analysis and assigned the project to our relevant translators.

The services including:

[French to Chinese translation](#)

Our solution for language translation:

- 1.** All translation tasks were finished by native translators with abundant experience. There were a total of 8 pages to be translated. Given to the previous trial test, the client had great confidence in CCJK [French translation service](#). CCJK carried out strict TEP procedure, namely from translation, editing and proofreading.
- 2.** CCJK team assigned this task to native Chinese translators professional in pharmaceutical field. The client thought this job needed to be completed within one week. 2 days later, CCJK delivered the [french language translation](#) to the client. The client was very impressed with CCJK’s fast delivery time. The client said that they would take some more time to check the French translation quality.

About client:

Cardinal Health Shanghai is committed to providing high-quality pharmacy and healthcare distribution services to the Shanghai area. We are dedicated to excellence and innovative solution-building in healthcare marketing and logistics services, supported by advanced facilities, information systems, and a forward-looking management team. The success of our approach has seen more than 800 domestic and multinational customers choose Cardinal Health Shanghai as their healthcare distribution provider. First established in 2005, the company joined Cardinal Health and became Cardinal Health Shanghai in 2010. Cardinal Health Shanghai delivers essential, world-class healthcare services and products to the Shanghai market. Products handled include drugs, cosmetics, medical devices and traditional Chinese medicines. Our reach extends to more than 800 customers and close to 95% coverage of secondary and tertiary-level hospitals in the city, with annual sales continuing to increase rapidly. Strong relationships, value-added services and a dedication to industry best practice and innovation have all assisted in swiftly building Cardinal Health Shanghai’s market presence.
