CCJK Malagasy Translation Quality Procedures

We work within strict quality guidelines and procedures and perform additional query checks and feedback with our clients. All of CCJK's Malagasy translators are selected based on their experience and expertise.

II. CCJK Malagasy Website Localization

Why you need to localize your websites into other languages?

First let's look at a few statistics:

- Web users are four times more likely to purchase from a site that communicates in the customer's language (www.idc.com).
- Over 100 million people access the Internet in a language other than your language and there will surely be more and more potential netizens in the years to come.
- Over 50% of web users speak a native language other than English and there are more web users speaking a different language from yours.
- Visitors stay for twice as long (site stickiness is doubled), if a website is in their own language (Forrester Research).

III. Publishing Malagasy Translations

CCJK can accept all file types and deliver ready to publish files where required. Translated data can be designed for both on-line and off-line publishing, utilizing SGML, XML and PDF formats.

CCJK also supports most commercial authoring and design applications on both PC and Macintosh platforms including but not limited to:
