

**About the Project:**

The client has 8 .pdf advertisements that need to be [translated from English to Mandarin](#) and then modify these advertisements with the translated text. The client require professional translators and graphic designer to do the job and deliver the files within a tight deadline.

**CCJK Solution:**

After getting the files from the client, we carefully selected a translator with 5 years of experience in translating marketing related materials to work on this job. This translator is reliable and detail oriented, he has never received any quality complaint since our cooperation.

A second linguist was assigned to proofread the translation to make sure the content is with the desired tone and appealing to the readers.

CCJK offers a wide range of design services to our clients world-widely. We have a professional team of graphic experts who can fully understand our clients' business requirements. One of our best graphic designers, who has many years' experience in this field has been assigned to do the graphic design part. He submitted his work within one working days and the client was satisfied with the work that we delivered.
