

About the project:

AHK Greater China wants to [translate technique documentation](#) and maintenance plan from English to Chinese. CCJK team made a careful analysis and assigned the project to our relevant translators.

The services including:

[English to German Translation](#)

Our solution for language translation:

All translation tasks were finished by native translators with abundant experience. Furthermore, CCJK ran a strict TEP (Translation, Editing and Proofreading) by 3 different linguists to make sure of top quality. The client required CCJK Team to do a test before starting to translate the documents.

CCJK team agreed to take this free trial test and delivered the test translation with half a day,. The client was surprised by our fast response and our qualified test translation. The client felt it very secure to assign the translation job to CCJK.

CCJK team delivered the translation file with a word count of 5748 words within 3 working days. The client is very impressed by our fast delivery time and good quality. The client said they would definitely come back again to us if they have more translations in the future.
