

**About the project:** The client has some brochures that need to be translated from English to traditional Chinese and layout in the PSD file. The client need all of the texts to be translated accurately and with high quality. The text and images and other things in the PSD should be perfectly placed and make it as a professional brochure. The services including: • Brochure translation from English to traditional Chinese • Brochure layout in PSD file **Our solution:** The client provides us an image of the brochure for quotation and then sends us the source PSD and fonts file for the traditional Chinese version brochure layout and typesetting. For brochure translation from English to traditional Chinese: To assure of the highest translation quality, we have assigned the best and most skilled translators to work on the file and we run strict TEP (translation, editing and proofreading) process by different linguists. The services include Translation + Independent Editing + Independent Proofreading + Final reviewing by professional Project Manager. That is, to make sure of the highest translation accuracy, we will assign not only one translator, but at least 3 linguists to the project: we translate from scratch by a linguist, then pass the translated documents to another editor for reviewing, and finally to a 3rd proofreader for polishing.
