Descriptions & Requirements:

This client was very satisfied with our work for 4XP website , so soon he offered another website 4XP-partners for us to proceed. 4XP partners is also a multilingual website, already in ten languages. The client was in need of us to help them in [translating their website in perfect Chinese language](#) like we did successfully last time.

The CCJK SOLUTION:

After giving this job from our client, CCJK assign it to the skilled translators. As we are a Corporate Member of American Translators Association (ATA), we follow ATA guidelines to run a strict TEP (Translation, Editing and Proofreading) process for every project to make sure of top quality. The services include Translation + Independent Editing + Independent Proofreading + Final reviewing by professional Project Manager. That is, to make sure of the highest translation accuracy, we will assign not only one translator, but at least 3 linguists to the project: we translate from scratch by a linguist, then pass the translated documents to another editor for reviewing, and finally to a 3rd proofreader for polishing. Moreover, CCJK has achieved a high standard in financial translation area by using only the most highly qualified translators and reviewers who have an background in the financial services industry or will have passed specific financial translation training.

CCJK has carefully put together the most appropriate team members of translators, editors and proofreaders for each project. CCJK always provides professional financial and

economical translation solutions that enable business to move faster into new markets worldwide. Our specialist terminologies and translators deliver accurate translations to regulated industries in a variety of materials and commercial languages. CCJK can provide you with accurately translated documents for the whole spectrum of foreign exchange documentation, including materials related to currency exchanges, wire transfers, foreign currency banking, and so on.
