

About the project:

Yrnet.Com wants to translate its CV document from [French to English Translation](#).. CCJK team made a careful analysis and assigned the project to our relevant translators.

The services including:

- French to English Translation

Our solution:**For language translation:**

All translation tasks were finished by native translators with abundant experience. CCJK is dedicated to make sure the client feels 100% satisfied with its [French translation service](#). There are a total of 1250 words to be translated. The client assigned the translation task to CCJK without asking CCJK to do any trial test. This was because the client had deep trust and confidence with CCJK's translation service.

The client wants the translation back within 1 working day. Due to the tight schedule, CCJK quickly arranged one native [French translator](#) to do the translation task. One day later, CCJK deliver the translation to the client to meet the deadline. The client doubted that if the translation file was read by another proofreader.

The client also said that the translation quality is not very good, such as some grammar mistakes. CCJK apologized to the client and quickly asked a native English proofreader to proofread the translation. The client was finally very satisfied with the translation quality and was quite impressed by CCJK's fast response.

The client and CCJK established a solid business relationship through this good try and fast service. The client commented that "Thanks for your reactivity" The client would definitely come back to CCJK if any future translation service needed.
