

GOOGLE DIED, APPLE & MICROSOFT DYING

“Google died, Apple & Microsoft are dying”

“Google died, Apple & Microsoft are dying”

—“Google IP address blocked in China mainland and CCTV faked up a story about Apple’s invasion of privacy, the State Administration for Industry and Commerce (SAIC) received a report from “somebody” and started to investigate Microsoft’s monopolization. Some netizens comment that US big three technology enterprises are in peril in China.”

Shortly after Google IP address was blocked in China mainland and CCTV faked up a story about Apple’s invasion of privacy, the State Administration for Industry and Commerce (SAIC) received a report from “somebody” and started to investigate Microsoft’s monopolization. Some netizens comment that US big three technology enterprises are in peril in China.

“Up to now, all the cases we investigated and handled have no any background as you thought. The investigation into Qualcomm was also initiated according to reports, having nothing to do with 4G or 3G.”
