

THAI

Thai (ภาษาไทย Phasa Thai [p^hā:sǎ:t^hāj] (listen)) is the national and official language of Thailand and the native language of the Thai people, Thailand's dominant ethnic group. Thai is a member of the Tai group of the Tai-Kadai language family.

Historical linguists have been unable to definitively link the Tai-Kadai languages to any other language family. Some words in Thai are borrowed from Pali, Sanskrit and Old Khmer. It is a tonal and analytic language. Thai also has a complex orthography and relational markers. Thai is mutually intelligible with Lao, whereas the Isaan dialect is almost the same.
