How We Bill You

There is a problem with your iCloud storage plan. As requested, your storage will be downgraded to @@quotaPlanInGigabytes@@ GB on @@renewalDate@@. However, you are currently using more than @@quotaPlanInGigabytes@@ GB.

To avoid this, you can delete email messages or use the iCloud Storage & Backup settings on your iOS device to free up space. You can also cancel your request to downgrade and keep your current storage plan instead.

Automatically Renews:

Estimated Tax:

If you are currently using more than @@freeQuotaPlanInGigabytes@@ GB of storage and we cannot charge you for your current storage plan, your service will be affected. Your iOS devices will no longer back up or save new data to iCloud and you will no longer receive new messages sent to your me.com email address.

If you are currently using more than 5 GB of storage and we cannot charge you for your current plan, your service will be affected. Your iOS devices will no longer back up or save new data to iCloud and you will no longer receive new messages sent to your me.com email address.

Enter your password and click Buy to confirm your purchase.
