

TWITTER USER: “DOES EVERYBODY HAVE A TOOTHACHE?”

“Does everybody have a toothache?”

—A Twitter user wrote for fun, because, in Japan, people love to hold the hand to the face as if they have a toothache. The craze is sweeping selfies in Japanese social media and fashion magazine front covers.

“Does everyone have a toothache?”

- A Twitter user wrote for fun, because, in Japan, people love to hold the hand to the face as if they have a toothache. The craze is sweeping selfies in Japanese social media and fashion magazine front covers.

“Does everybody have a toothache?”
Does everybody have a toothache?
Does everybody have a toothache?

“Nokia is a great company, so we recognize the outstanding contribution you have made in the industry. We believe that you are also a group of people who have dreams, and Alibaba is willing to provide a platform to realize your dreams for the excellent talents who are leaving Nokia.”

- Alibaba is extending an olive branch to the dismissed employees of Nokia and welcomes them to join Alibaba.

“Does everybody have a toothache? Does everybody have a toothache? Does everybody have a toothache?”
