

WEBSITES DESIGN AND LOCALIZATION BY CCJK

British media has recently coined a new term 'Peking pound' to tell the world that more and more Chinese are getting richer and richer. China is a 'place-to-be' for most big businesses now. How can your company advertise yourself among Chinese customers? Websites or online marketing is your top choice because there is a huge part of Chinese, especially young people and urban rich guys, who love and are accustomed to surfing on net.

With the advancing of smart phones and 3G technology, surfing online to click through websites is their habit now. Therefore, why not choose us to design and localize your Chinese version of websites? We believe once you catch this big opportunity, you will enjoy lots of profits.

We not only literally [translate your websites](#) into Chinese because we firmly believe that you are not gonna gain many benefits. Nowadays, Chinese people love novelty, for example, they love fresh ideas and enjoy unique taste, whatever in choosing a mobile like Iphone 4 or HTC phone, or in rating online videos or events.

Based on special consumption concepts and hot and test-verified marketing strategies, CCJK loves to offer you the fashionable version of websites that are full of Chinese characteristics. If you also want to market your products online, we can be your preferred agent who can handle your work well. We love to bridge your company to Chinese market or particular customer group. In all, you and we will enjoy loving
